Well, hello!

If you've landed here, then that means you made an account and we are so happy you are here!

So, who are we? And the better question: how are we changing the world of social media?

The answer is simple: this platform was created with you in mind. The creatives. Visionaries. Influencers.

This is a safe space where only positivity is welcomed. Harassment is never allowed. In fact, all negative comments and DM's are automatically deleted.

How's that for transparency?

Welcome to Mindful Curation. Where creatives thrive.

FAQ

If you're here, you're probably wondering what type of website this. Well, let's answer that: we are a **POSITIVE** space for you (the creative) to post content, interact with your audience (because it will grow!), and comment *and* receive only positive comments! Our platform is constantly moderated for harassing comments, language, and direct messages. Users that break the rules, will be permanently banned.

Still have questions? Great! Here are some of our most commonly asked ones:

Do I have to verify my account?

Yes, you do. We require you to do so to keep the banned users from coming back. [Click here](#) for more on our verification process.

How often do I have to post?

This is *your* platform. You can post as little or as often as you want. Our algorithm shows videos based on when they are posted, nothing complicated about it.

I enjoy creating content, but sometimes I get overwhelmed. Is there anyone I can talk to?

We're sorry that you are experiencing burnout. We are always here for you and you can reach our 24 hour chat support by clicking [here](#).

Can I monetize my content?

Absolutely! When you post, brands are watching, other content creators are viewing your work, and we have a monetization program! For more on earnings (because that's one of the goals right?!), [click here](#).

I don't understand something. And I have suggestions for improvement. Who do I contact?

Have questions? We've got answers. Just need to drop us a line? You can do that too. Contact us anytime at: hello@mindfulcuration.com or [click here](#). Please allow one business day for an email response.

Privacy Policy

When you make an account on Mindful Curation's platform, you agree to share: your verification photo, email address, and you consent for us to view all content that you post. We also have access to comments you post, direct messages between users, and your IP address. This is to ensure a safe and moderated environment for all users.
